September 14, 2014

Welcome to First Baptist Church Grapevine. Thank for you for choosing to worship with our family this morning. Our passion is to make sure you experience the love of God during your time on our campus. We believe that God has given our church a vision to lead people to a passionate encounter with God through worship, to equip believers through scripture and sound teaching and to engage with the people in our community.

If we can answer any questions about the church, stop by Guest Services in the lobby, call the church office at 817-488-8573 or email us at info@fbcgrapevine.com. We invite you to consider making FBC Grapevine your church home.
